

Raptors, Uplands & Peatlands – Conservation, Land Management & Issues

Hen Harrier wild-scotland.org.uk

Friday September 9th & Saturday September 10th 2016 at the Sheffield Showroom & Workstation

This major national conference will bring together key academics and practitioners to examine the ecological and conservation issues of raptors on uplands generally, and peatlands specifically, from bogs to heather moors.

The first day (9th September) will be a full day of presentations with an optional informal evening meal which needs to be booked separately. The following day (Saturday 10th September) will have presentations in the morning followed by an after-lunch discussion in the early afternoon followed by a field visit by coach / own transport to the Ringinglow area before returning to Sheffield early evening. The conference will be opened by local MP, Angela Smith. Speakers for Friday include: Mark Avery, Alan Charles, Steve Redpath, Philip Merricks, Pat Thompson, Adrian Jowitt and Stephen Murphy. And, on Saturday morning there will be presentations by Barry O'Donoghue, Rhodri Thomas, Alan Fielding, Sonja Ludwig and Tim Baynes.

The full programme and online booking are available from our website <http://www.ukeconet.org/raptors.html>
Costs start from £15 per day for volunteers [without lunch] to £35 for volunteers etc, including lunch and refreshments, and £85 per day for academics, agencies, etc. If you wish to offer support, a display or a poster presentation, please email: info@hallamec.plus.com or telephone 0114 2724227.
